Subject: Recommendations on 'Ease of Doing Business in Telecom and Broadcasting Sector' – regarding.

Ease of Doing Business (EoDB) has been identified as one of the focus areas of Government in the recent decade. EoDB is a recognition of the fact that business and enterprise need to be enabled. Government is striving to improve the business environment at every stage across all the sectors. As a sector Regulator, it is incumbent upon TRAI to improve the business environment in the telecom and broadcasting sector.

2. TRAI has *suo-moto* floated a Consultation paper on "Ease of Doing Business in telecom and Broadcasting Sector" on 8th December 2021. This Consultation on EoDB is TRAI's endeavor to identify various issues in the existing processes and suggest measures required in the application processes, regulatory processes, policies and compliances.

3. Based on the comments of the stakeholders received during the above-mentioned consultation process and its own analysis, the Authority has finalized its recommendations which are enclosed herewith. The main emphasis of these recommendations is to have an end-to-end online inter-departmental single window system, providing time-bound license/ registration/ permission/ clearance to the applicants.

4. As per the practice, a copy of this letter, along with recommendations, are being placed on the website of TRAI www.trai.gov.in for the public's perusal.

This letter is issued with the approval of the Authority.
