Dear Trai,

1- Tariff plans should have validity of standard 30 days.

While some plans are for 24 days only. We already have a lot of bills to pay every month.

2- Tariff plans should have 3 months, 6 months and 12 months validity.

Longer validity plans give peace of mind for few months. Shorter validity plans create a constant uncertainty in our minds about price fluctuations. I really demand 6 months validity plan.

Thank you
