Advisor (QoS-I),
TRAI, New Delhi

Subject: TRAI releases draft Telecom Regulatory Authority of India Repealing Regulations 2023- inviting Comments from stakeholders.

TRAI issued a consultation paper on 03-04-2023 on the aforesaid subject and asked the various stakeholders to comment on the issues involved in the consultation paper. In this reference the following comments are submitted for consideration:

MTNL comments : These regulations were issued when the dial up service was the only service available for accessing internet. Since the era of Dial-up Internet is over and Leased Line Internet Access Services are generally SLA based, thus Regulation on Quality of Service of Dial-Up and Leased Line Internet Access Service, 2001 can be repealed.

These comments of MTNL are for kind information & consideration for TRAI.
