Subject: Supplementary tariff for DTH opr : 24.12.2009
To: bcs@traf.gov.in

To
The Secretary
T R AI
New Delhi

Dear Sir,

The DTH operators are making bumper profit from value added services (VAS) and channel packages. Hence their tariff should be Rs. 82.00 for FTA channels and Rs. 5.35 per pay channel per month and they should give us on monthly basis on a-la-cate of all pay channels. They are showing loss in their books of accounts like telecom companies.

Thanking you,

Manju Ray
